BASIC OBEDIENCE TRAINING WITH A.K.C. CANINE GOOD CITIZEN PREPARATION & TESTING

Please join us for our basic training camp where our focus will not only be on obedience but preparation for testing for the AKC (CGC) Canine Good Citizen certification!

What is CGC? AKC's Canine Good Citizen® (CGC) Program was started in 1989, and is a certification program that is designed to reward dogs who have good manners at home and in the community. The Canine Good Citizen Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. All

An AMERICAN KENNEL CLUB Program

dogs who pass the 10-step CGC test may receive a certificate from the American Kennel Club. Many dog owners choose Canine Good Citizen training as the first step in training their dogs. The Canine Good Citizen Program lays the foundation for other AKC activities such as obedience, agility, tracking, and performance events. As you work with your dog to teach the CGC skills, you'll discover the many benefits and joys of training your dog.

Classes will last for 6 weeks and will be held outdoors on private property in Round Hill (address below). In the event of rain, the class will be rescheduled for the following day. The last class will be utilized for testing only (Either your Obedience Test and/or CGC certification test). A certified AKC CGC Evaluator will be present on the last day, and the cost for the test is \$10 per dog. The AKC CGC testing is **optional and you must have attended all classes to be tested.** All dogs who pass the 10-step CGC test are eligible to receive a AKC certification certificate from the American Kennel Club.
